Dear cousins and nephew:

I worked on the Friend genealogy for quite some time, taking over where Carol had started. I have done extensive research on line and used books from a Friend on another side I believe, but still had our information. I took the "format" (which was hard to do with so many children in families) from the Liller book. It is all separated by generations.

I have turned it all over to Chuck Friend who lives closer to most of you and can get the updates needed better than I have been able to. I am sending the information starting with Granddaddy's Dad's family on down to us for the enclosed copies. There is a complete genealogy from the time the Friend's arrived in America which Chuck has. If you get to your family page and see things missing, please let Chuck know and get it updated ASAP - PLEASE !!

It was a little expensive to make 10 2-sided copies and copies of Granddaddy's Dad's large photo which I had shrunk down, so I chose to send a copy to the following only: (no rhyme or reason)

Jeff Liller  
Ron Liller  
Jana Humenay  
Linda Welch  
Rodney Shafer  
Lois Bailey  
Larry Friend  
Carl Friend  
Doreen Friend

If you want someone else to have a copy, please feel free to get copied and give to them.

Thanks to all for your patience on this. I got way behind after my accident 2 years ago.

Love You All !!

### FIRST GENERATION IN AMERICA

Captain Nicholas (Nicholas I) Friend - DOB: \_\_\_\_\_, 1616 in Weymouth, Dorsetshire, England, DOD: 1675 in shipwreck near entrance to Delaware Bay. ???

Married Anna Andersdotter Andersson (daughter of Anders Andersson the Finn and Christina Gulbrandt (Goolbran) - Anna DOB: 1618 in County of York, England (or in Sweden ??), DOD: 1724 at age 106. (WMGS Members' Genealogy says born about 1638, Sweden, death 1724 Upland (New Sweden), Delaware Co., PA - at age 86. Anna was buried in St. Paul's Churchyard (or Trinity Church) in West Chester, PA. Children were born in England (between 1650 and 1675 ??). [Tradition says that while bringing his family to America about 1675, the ship was wrecked and Capt Friend drowned trying to save two of the sons. His wife and children were rescued after shipwreck. They then settled in Upland, Pa which was settled by Swedes in 1643. Penn changed name of Upland to Chester, Pa. [DID THE FAMILY COME OVER 1675 ?? - IF SO, ANNA COULD NOT HAVE MARRIED NILS 1656 IN UPLAND (NEW SWEDEN), DELAWARE CO., PA]

Widow Anna Friend then met and married Nils (Nicholas) Larsson Friend (Frande) about November 1656 (which doesn't make sense if she and family supposedly came over in 1675) - DOB: circa 1620 in Gotenborg, Sweden, DOD: June 12, 1689 in Upland (New Sweden), Delaware Co., PA. (age 69), a Swede wealthy colonist. No children from this marriage. Settled in Upland, Pa (now Chester). They spoke Swedish. Numerous notes state there were 10 children, but Anna Catherine Friend shows up on several internet printouts in Ancestry, etc.

For more than 75 years Rev Henry Edwin Friend was allied with the Methodist Episcopal church having become a member of the church in early boyhood. When quite a young man, he left his home in Sang Run and went to Altamont, Garrett Co., MD, where he took up the trade of shoemaking. Henry enlisted in the Union Army on August 12, 1862 and served until the close of hostilities between the States. He was attached to the Army of the Potomac (HB) Co. D. Third Maryland Regiment. After being discharged from the service of his country, he returned to Altamont and again took up his trade of shoemaking, where he remained a few years, going to a point near Hoyes, in or about 1870. On February 7, 1871 he received his license as an exhorter in the M.E. Church from the Rev. E.C. Woodruff, and in August of the same year was licensed as a local preacher at Blooming Rose, MD., by Rev. J.W. Webb, the presiding elder of this section. He was ordained deacon by Bishop E. R. Ames at Grafton, W.Va. March 25, 1877 and was ordained as an elder by Bishop Williard F. Mallalieu of Morgantown, W.Va. On September 26, 1886. He served a number of charges in the W.Va Conference as a regular minister and was retired in 1904, but served (text missing). Rev Friend was a member of the first Board of County Commissioners in Garrett County, MD, having been elected in 1873, at the time the county was created, along with Elisha Umbel and George W.
