

Instrumental Case

The Instrumental case:

1. Indicates the means – or instrument – of the action, how the action is done.
2. Used after the preposition [с] in the meaning of "together with."
3. It is used after the following prepositions:
между - between, **перед** - in front of, **над** - over, **под** - under, **за** - behind, **рядом с** - next to.
4. It is used after the following verbs:
быть - to be, **стать** - to become, **работать** - to work as,
заниматься - to practice something, **интересоваться** - to be interested in,
пользоваться - to use, **гордиться** - to be proud of, **оказаться** - to turn out to be,
пахнуть - to smell of.
